

## V.35 Universal Adaptor

### Features

Screw fixing or France  
TelecomPlug

Male or Female Connectors  
available

Item is suitable for both 1mm  
or 1.6mm connectors

### Overview

The adaptor allows connection of any cable or equipment where the pin diameter is 1/1mm or 1.6/1mm. Developed for Black Box, this V.35 Universal Adaptor resolves any V.35 connection problems whether it is to do with pin diameter, gender or connector type.

*Please note this product is not available in the UK.*
